

CEDAR GROVE ELEMENTARY

NEWSLETTER

PRINCIPAL'S MESSAGE

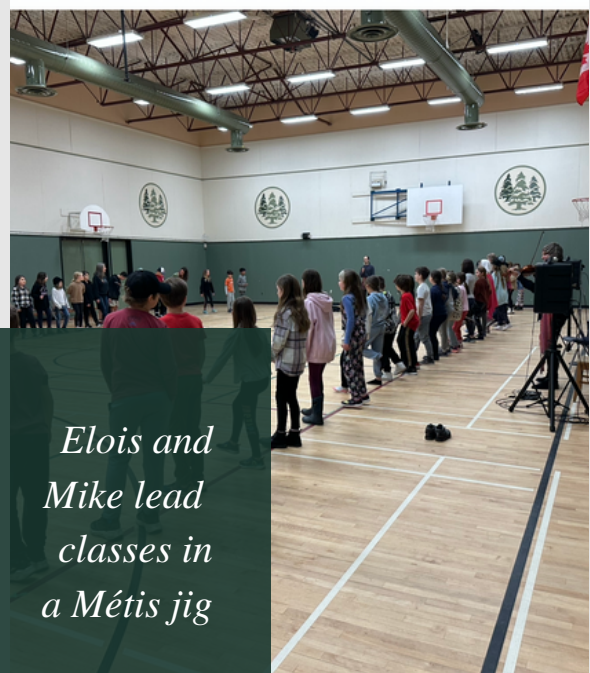

Gosh! It's April!? The last time I wrote to you, we were all looking forward to Spring Break. I truly hope you had some memorable adventures, or relaxing time to connect with family and friends. However, I also want to recognize that a significant number of parents work during school breaks which can present some challenges in finding activities and care for their children. This can be stressful for families and returning to school routines can be a relief. If this was your family, I empathize.

Upon returning from the break, Cedar Grove Physical Education classes featured dance instruction with Jess Dance's Hip Hop and Contemporary dance instructor, Tyler. All classes gathered at the end of the day last Friday to celebrate their learning in a school-wide performance. We are sorry that we could not extend a formal invitation to parents for the performance as space was limited and we were not sure if the choreography would allow a full capacity audience.

Last Thursday, we had the pleasure of hosting the Metis dance and fiddle group, V'ni Dansi who shared with students and staff a window into Metis heritage and culture. The workshop featured opportunities for students to learn some jigging and the importance of Metis culture in Canada today and in the past.

Tyler from Jess Dance leads students in their afternoon performance.

Elois and Mike lead classes in a Métis jig

Looking ahead to April 27th is Cedar Grove Elementary's Spring Concert/Musical. The production team, led by Mr. Tultz and Ms. Bingham, is growing in numbers as students, staff, and parents volunteer to help with a variety of tasks crucial to a successful show. We want to express our thanks for the incredible wave of support from the parent community. We really appreciate your help.

There will be two performances. The first, a

matinee, that will double as a rehearsal- this will be for students only. The second, will be our public performance. All parents welcome. Doors will open at 5:30 pm and the performance will begin at 6:00 sharp.

Lots of hard work and positive energy is going into this production. I want to thank all students and staff who are putting their hearts into it. We look forward to seeing you on Thursday the 27th

And before I sign off, on behalf of the entire Cedar Grove team, I like to express our best wishes to those families who are celebrating Ramadan this month and who celebrated Easter this weekend.
